ORDER

In July, 2010, the prisoner plaintiff filed a Request for a Temporary Restraining Order (Docket Entry No. 29). Shortly thereafter, he filed an Amended Request for a Temporary Restraining Order (Docket Entry No. 47). In these requests, the plaintiff asks the Court to condemn certain cells at the South Central Correctional Center as unfit for human habitation. He further seeks an immediate repair of all housing units at the prison, the purchase of new food trays, and permission for Muslim inmates to pool their money to purchase certain religious foods.

The defendants have filed Responses (Docket Entry Nos. 37, 39 and 43) in opposition to the Requests for a Temporary Restraining Order.

Presently pending is a Report and Recommendation (Docket Entry No. 49) from the Magistrate Judge urging the Court to deny the plaintiff's Requests. The plaintiff has filed no

objections to the Report and Recommendation.

The Court has conducted a de novo review of the Report and Recommendation along with

the record and finds that the Magistrate Judge's conclusion is well reasoned. Therefore, the Report

and Recommendation is ADOPTED and APPROVED. The plaintiff's Requests for a Temporary

Restraining Order (Docket Entry Nos. 29 and 47), along with his Motion for a Hearing (Docket

Entry No. 33), are DENIED.

The plaintiff also filed two Motions for Default Judgment (Docket Entry Nos. 73 and 75)

which were denied by the Clerk of Court (Docket Entry No. 83). Pending is plaintiff's Motion to

Reconsider (Docket Entry No. 90) his previous requests for entry of default judgment.

The Court finds no merit in the plaintiff's Motion to Reconsider. Accordingly, this Motion

is hereby DENIED.

It is so ORDERED.
